YOUR action

Hey!

Let’s make sure that the issues of women and AIDS, including gender equality and SRHR, are reflected in the programme.

Visit http://www.aids2014.org/ to submit a late-breaker abstract

Deadline: 15th of May 2014

The 2014 International AIDS Conference is around the corner!

The Global Coalition on Women and AIDS

Rally around these issues!

makes a big difference.

meaningful involvement of women living with HIV and key affected women; gender equality and women’s empowerment; sexual and reproductive health and rights; violence against women and girls; the rights and needs of young women; male engagement for gender equality; care-giving
