Letter number 35

To whom it may concern

Friends and allies!

As you all know that the WAR has come to Ukraine.
We did not invite russia to our country but they are already here.
Cities and villages are being attacked every time and everywhere by russian soldiers. So many people are dying many have lost their homes and others are forced to hide in bombshelters and basements. Children and women suffer our enemy does not pity anyone.

WE ARE TRYING TO HOLD ON BUT NOW WE HAVE NEEDED YOUR HELP.
Needed like never before.

Most women living with HIV in Ukraine are currently in a critical situation - they have no funds and are isolated from humanitarian aid which can only be obtained at the special centers. Food is running out fast and we need medication and personal hygiene. Baby food is very much needed.

WE ASK FOR THE HELP OF EVERYONE WHO CAN HELP.
We need funds to help the most vulnerable of us to survive.
Account numbers to which funds can be send to help women living with HIV in Ukraine:
