What is

MEET THE TARGET

The "Meet The Target" campaign was launched on June 8, 2022 to support and advocate for the full replenishment of the Global Fund's estimated resources of at least \$18 billion to save more than 20 million lives from 2023 to 2025.

Campaign objectives

Successfully Replenish
the Global Fund

Invest in
Communities & Civil
Society

Increase domestic
resources for health
